3 EASY STEPS FOR DROP OFF!

- 1** Check in with **1 small JBF tagged item** at the Consignor Check-In table in the Lobby entrance.
- 2** **Grab a rack and load up!** If your clothing requires inspection, take all of your clothing to the Clothing Inspection door a few steps away from the lobby entrance.
TIP: You will need to give up your rack for inspection so bring a wagon or anything else that will help you get all of your other items in the front doors easier while your clothing is being inspected.
Bring all other non-clothing items that do not require a large item/big ticket through the **lobby entrance**.
Perfect Consignors: bring all of your clothing in through the lobby. DO NOT bring big ticket items this way, that's next!
- 3** After putting clothing, shoes, and all other items NOT considered an item that needs a large item/big ticket out on the sales floor, drive to the far side of the building and bring all items that need a large item/big ticket tag to the doors **OUTSIDE** of the basketball court. Rolling racks full of clothing and other items being consigned do NOT go through the big ticket doors, only big ticket items that require a large item/big ticket! Our Big Ticket Staff and Team Members are set up to help you outside these doors, so you can't bring these big items inside through the lobby.

You're Done!
