- ✗ Belts
- ✗ Neck & Bow Ties/Suspenders\*\*

*\*\* These Items cannot be sold as a single item or bundle. They are only accepted if they are being sold attached to their MATCHING OUTFIT located in the clothing section. If the item did not come with an outfit, it cannot be sold. (Infant winter hats and infant beach/summer hats are always accepted during the appropriate season and are not included in the cotton infant hat rule.)*

### NO THANK YOU ACCESSORY ITEMS:

The former accessory items noted above (sleepsacks/swaddles, umbrellas, and baseball hats) are to be placed in different sections on the sales floor and are no longer considered an "accessory." Items listed in the white box are items that can no longer be sold with JBF Reading & Oaks if not originally part of an outfit, and being sold attached to that outfit. This means don't bring them, and do not find a random spot on the sales floor as their new home. These are No Thank You items and WILL count against your Perfect Consignor status.

### YOUR FAVORITE TEAMS, ALL IN ONE PLACE!

## Fan Gear Section

All Fan Gear will have its own section. From local schools (any club!), to College, to Pro teams - hang your fan gear (shirts, jerseys, sweatshirts, etc.) all in one place (Yes, we'll take Pittsburgh and other city teams, too!).

This section will be clearly marked.

### SPORTING GOODS SECTION

Our Sporting Goods section will move front and center!

From soccer to lacrosse to dance and cheer, drop off and place all of your sporting goods equipment\* in this section for a one-stop shopping experience for our JBF shoppers. Check the drop off maps for location.

\* cleats and other sports shoes should still be dropped off in shoes for inspection. JBF staff will move them after drop off.

### CAR SEAT & CRIB CHANGES:

- ✓ Consignors can print a QR code of the car seat manual URL if original manual or printing the entire manual is not an option.
- ✓ Car Seat Waiver is not needed if selling a base by itself.
- ✓ Cribs can be older than 5 years, as long as they pass all crib waiver questions.

### CAR SEAT ACCESSORIES:

Aftermarket car seat accessories that change the physical function of the car seat, such as car seat strap covers and infant inserts, will not be accepted.

Accessories such as car seat covers and toys are still accepted to sell.

### CAR SEATS & CRIBS

In order to align more closely with our new Franchise-wide JBF Product Safety website, we are adopting the JBF Franchise rules and regulations regarding car seats and cribs.

The Product Safety website is a one-stop shop with links that will direct you to product and car seat recalls!

### NO THANK YOU ITEMS:

Don't forget to check out our No Thank You Items page within this guide for more detailed information regarding items and products we will not accept all year long. The Product Safety website does not replace our No Thank You list, and recall notices will appear for items we don't accept at our sales.
