Thank you for your donation! Since 1894, Hope Rescue Mission has provided shelter, food, and clothing for homeless men facing challenges such as unemployment, separation from family, and addiction issues. We have a daily average of 150 men staying at the Mission, with over 700 individual men seeking refuge here on an annual basis. We receive zero government grants or funding, so your donations to the Hope Outlet Thrift Store and Recycling Warehouse are a crucial support to our continued outreach to men in need.

Our goal is to provide for the physical, emotional, and spiritual needs of these men in order to share the life-changing message of the Gospel with the hope of seeing them restored to a productive life. You are a valued partner in this work, and we are so grateful for your generosity!

We ask God's blessings on you and your family!

Sincerely,

Robert Turchi  
Executive Director
